Plan My Move Booklet for Fort Huachuca

Overview

Location

Fort Huachuca is located in the southeastern corner of Arizona. It is surrounded by Cochise County and the local townships of Sierra Vista, Hereford, and Huachuca City. It is approximately one hour south of Tucson. It is a military community with a small town ambience encased by scenic vistas. The cost of living is moderately high. The base operator's phone number is 520-533-2330.

History

Fort Huachuca is the product of Indian Wars of the 1870s and 1880s. In February 1877, Col August V. Kautz, commander of the Department of Arizona, ordered that a camp be established in the Huachuca Mountain. The Fort was the home of the 10th Cavalry "Buffalo Soldiers" for 20 years and was replaced by the 25th Infantry Regiment in 1933. Presently, Fort Huachuca houses the U.S. Army Intelligence Center, and the U.S. Army's Network Enterprise Technology Command. For a detailed history of Fort Huachuca, please see the [Fort Huachuca homepage](#).

Mission

Fort Huachuca provides equitable, effective, and efficient management of Fort Huachuca to support mission readiness and execution; enable the well-being of soldiers, civilians, and family members; and to preserve our environment.

Population Served

Fort Huachuca is a joint services installation training over 9,000 students a year. At any given time, we have over 5,600 Military, 8,000 Civilians and over 11,000 family members.

Base Transportation

Fort Huachuca does not operate a post shuttle service. However, Sierra Vista's public transportation, Vista Transit, service is available on post. The bus stops at a variety of post locations. Early morning service, beginning at 0545, is available from local area hotels to Fort Huachuca. Currently, fees range from .50 for senior citizens and other special needs patrons, to \$1.00 for the general public. Bus schedules, detailing post and local community routes, are available at Army Community Service.

Sponsorship

Sponsorship may be requested at your installation levy briefing, by contacting your local Army Community Service (ACS) relocation manager or the gaining ACS relocation manager, and/or by contacting the gaining unit. A sponsor will send permanent party members a sponsor package, answer questions about the fort and the area, make lodging arrangements, and meet newcomers upon arrival. The sponsor will help members and their families until settled into the new community. You can reach the Fort Huachuca ACS at 520-533-5919/6874/2330, DSN 312-821-2330.

Temporary Quarters

Temporary lodging is available for both TDY and PCS personnel. Information and reservations may be obtained through Army Lodging, 520-533-2222, DSN 312-821-2222. For further information, please see Topic Temporary Lodging.

Relocation Assistance

Newcomer's briefings are provided daily at the soldier in-processing conducted at Whitside Hall. Huachuca Welcomes are available twice a month for soldiers, family members and civilians. Welcomes are conducted at Murr Community Center and begin at 9:00 a.m.. For more information, please contact ACS at 520-533-2330. Lending Locker items, such as microwaves, basic culinary items, cots, mats, and some baby items are available at ACS.

Critical Installation Information

Monsoon season begins early July and may last until late August, early September. Expect high winds in Spring. Due to the elevation and heat, acclimation may take at least one month.

Sponsorship

Settling into your new location and your new unit takes time. [Plan My Move](#) is designed to assist you with information about your new location. Complimenting Plan My Move each of the military Services has a Sponsorship Program which is very helpful in providing new unit information. Sponsors can make your transition smoother. The purpose of the Sponsorship program is to:

- Provide a sense of belonging
- Ease the transition for inbound service members or civilians and their family members
- Increase productivity
- Reduce culture shock
- Help newcomers make informed decisions
- Cultivate new friendships
- Improve morale

A sponsor is someone from your new unit who is assigned to assist you settling into your new location. You can request a sponsor through your unit, or with help from the Relocation Assistance Program or the Family Center at your new installation.

Your Service will appoint your sponsor in writing. He/she will be the same or close to your rank and the same marital status, if at all possible. This person will be knowledgeable about the local community and the installation; available to assist you and your family for at least two weeks post arrival, and be someone who is positive and outgoing.

A sponsor's duties include:

- Contacting you and your family by letter of introduction or e-mail upon learning of your assignment to the installation.
- Following up with a personal phone call after contact has been made.
- Sending information about the installation/area which you may require, or putting you in touch with the resources on the web and at the installation that provide current, complete and up-to-date information such as those provide by the Relocation Program.
- Answering any questions which you or your family may have, or, again, providing the proper resources to answer those questions.
- Confirm transportation and lodging arrangements.
- Assisting with obtaining a Post Office Box for your mail.
- Meeting you and your family upon arrival.
- Accompanying you to your check in point for the unit.
- Introducing you to the Family Center and lending closet
- Providing essential service locations such as commissary, exchange, gas station, bank.
- Being available when you arrive at your installation to meet you, show you around, and help you through in-processing.

If you have not been assigned a sponsor, or have not been contacted as of yet, request one by contacting your gaining command or unit. If after contacting your new command you find difficulties in obtaining a sponsor, contact your Relocation Assistance Personnel for additional help with your move.

Service specific processes for requesting a Sponsor include:

- **Army and Defense Logistics Agency:** AR 600-8-8 outlines procedures for DA Form 5434, Sponsorship Program Counseling and Information Sheet. Sponsorship is mandatory for first term Soldiers. All Soldiers, private through colonel (excluding those completing advanced individual training (AIT) and those PCSing to long term schools) and civilian employees through grade 15 may participate in the advance arrival sponsorship program. Reactionary Sponsorship is available for individuals arriving at an installation without a sponsor. Contact the gaining unit to request a sponsor.

- **Air Force:** Gaining Unit Commander Support Staff/Military Personnel Element will assign a sponsor upon receipt of assignment notice. Assigned sponsor will then make contact with the inbound member.
- **Navy:** OPNAV INSTRUCTION 1740.3B prescribes procedures regarding Command Sponsor and Indoctrination Programs. This Program is designed to facilitate the adaptation of Sailors and their families into new working and living environments, to minimize the anxiety associated with a Permanent Change of Station (PCS) move, and afford Sailors and their families the greatest opportunity for a successful and productive tour of duty.

Command sponsor and indoctrination responsibilities begin upon receipt of PCS orders and continue until the Sailor has become an integral part of the new command and is fully cognizant of all policies, programs, services, and responsibilities available through the command. Commanding Officers shall establish a Command Indoctrination Program to include the delivery of the Navy Pride and Professionalism training per this instruction. COs should ensure all incoming personnel receive command indoctrination training within 30 days of arrival or within 3 drill weekends.

Enclosures (1) and (2) of OPNAVINST 1740.3B outline responsibilities and provide guidance for these programs. Assistance to local commands regarding the Command Sponsor Program is through the Fleet and Family Support Center (FFSC) Relocation Assistance Program staff.

- **Marine Corps:** Gaining Unit Commander will assign a sponsor on request. Overseas commands should assign a sponsor automatically, however if one is not assigned, send a request to the gaining command. A sample request form is available on our website that can be filled out and sent to the gaining command. See the following [website](#).

Sponsors' responsibilities and abilities to be available will vary from installation to installation, depending upon the priority which the installation and unit commanders give to the program; however, the Services are making the Sponsorship program a priority as research has shown the many benefits of good sponsorship to service, family members and youth.

Youth Sponsorship

The Youth Sponsorship Program depends on the availability of youth who volunteer to become sponsors. The Youth Services topic should explain the Youth Sponsorship program at your new installation, but if it does not answer all of your questions, contact your Relocation Manager to inquire about the program and acquiring a youth sponsor.

Check-in Procedures

Reporting Procedures

New arrivals and visitors to Fort Huachuca should enter the installation through the Main Gate at the west end of Sierra Vista's Fry Boulevard and the intersection with Buffalo Soldier Trail. The Main Gate Welcome Center is open Monday through Friday from 7:30 a.m. to 4:30 p.m. It is closed on weekends and holidays. The Welcome Center can provide temporary and permanent on-post vehicle registration and information on where to locate troop units, and general information about the installation along with a map to guide visitors to their destination.

New arrivals start in-processing at their respective units or activities. The unit will make an appointment for Soldiers to process at the Personnel Processing Center in Whitside Hall, Building 41330, near the Smith Avenue traffic circle. The center offers one-stop service to all incoming and outgoing permanent party Soldiers. Services include the processing of personnel records and travel pay.

Reporting In

Officers should sign the register at the organization to which they have been assigned. Newly assigned enlisted Soldiers should report to the Battalion or Brigade S-1 of the unit to which they are assigned, during or after duty hours (Please see chart below).

Reservists

Individual Reservist, regardless of rank, will report to the Mobilization and Military/Civilian Support Office in Room B-20 of Building 31122 (Alchesay Barracks) for in-processing on the first duty day after arrival. Pre-arrival coordination with the G-3 Reserve Support Office can be done by calling 520-533-6627 (during duty hours) or 520-533-2291 (after hours).

Relocation Assistance

Programs and Services

While moving is always stressful, your stress can be drastically reduced if you take full advantage of the information, education, and personal assistance provided to you by the Relocation Program. This is the place to find answers and get referral to other installation resources as well as assistance with in-transit emergencies. The most important thing you can do to ensure a smooth move is to start planning early using the many Relocation Assistance program services and tools available.

Individual PCS Planning -- Most relocation programs offer one-on-one consultation for anyone needing assistance. In particular those making their first military move, first overseas move, or those with challenging and complex situations such as special needs family members or financial problems should call the Relocation Program for an appointment.

Military Installations and Plan My Move -- For managing and planning your move, use these two DoD sponsored web-based relocation tools with information on over 250 installations worldwide. You can estimate expenses, find the forms necessary for housing and household goods, keep a calendar of events and take other necessary actions to ensure a successful move.

Loan Closet -- Basic household goods items are available to borrow while waiting for your personal property pre-departure or upon arrival. The typical items in stock include: pots and pans, dishes, silverware, irons, ironing boards, portacribs, high chairs, and infant/toddler car seats. Generally, towels and bed linens are not available, so these should be packed in your hold baggage.

Workshops and Briefings -- The classes offered vary from installation to installation but you can generally find classes on buying, selling and renting smart, budgeting and finance, moving with children, general moving preparation and many other moving related topics.

Pre-departure Briefings -- Sometimes called Smooth Move or PCS Briefings, you and your spouse will want to attend for sure. These briefings provide essential information that can prevent you from making uninformed and costly decisions before your move.

Settling-in Services -- These may include welcome wagon services, local area tours with childcare often provided, or basic household items to use until your goods arrive. Overseas arrival services may include introductory language classes and cultural awareness training.

Deployment Support -- The Family Center assists unit family readiness groups and Ombudsman programs during the entire deployment cycle. Support includes services for special needs, classes on deployment preparation, managing finances, helping children adjust, family separation, return and reunion, and information on resources available locally and on-line.

Foreign Born Spouse Support -- Whether your question concerns immigration and naturalization, learning the English language or how to take local transportation, the Relocation Program provides assistance, classes and referrals.

Emergency Assistance -- From time-to-time emergencies occur while moving, the Relocation Program office has the resources to provide emergency financial assistance and referrals.

Transition Assistance -- This is a mandatory program available to assist personnel and family members when they separate from the military. The Relocation Assistance office will establish your individual transition plan and refer you to all the installation and community resources necessary to complete a successful transition.

Installation Specific Information

The newly arriving soldier and family should be aware that the Army Community Service (ACS) Relocation Readiness Program office and Lending Closet are especially designed to make their transition into our community an easier, more pleasant experience.

Our Lending Closet provides essential items primarily for the PCSing family while awaiting the arrival of household goods. Items provided include: pots and pans, dishes, silverware, irons, ironing boards, toasters, coffee pots, porta-

cribs, high chairs, and infant car seats. There are no linens.

For more information on Relocation Readiness Program (RRP) services at Fort Huachuca, please contact ACS. The RRP ensures support and assistance is available for soldiers and family members moving to or arriving from another military duty station. This includes providing current information, guidance counseling, education, and training during all phases of the relocation process. Please contact ACS for more information on out-processing.

Everyone who is outprocessing must clear ACS and Army Emergency Relief. No one else is authorized to sign their clearance papers for these two organizations. ACS maintains comprehensive, accurate, and up-to-date information files on available civilian and military community resources.

Emergency Assistance

Planning for Emergencies

No matter how well you have planned your move, emergencies do happen.

Important Documents/Hand Carry

Before you leave make sure you have all important papers with you - not packed with your household goods. Make sure you have important numbers such as SDO, your Command Duty Office, and your sponsors. Your sponsor can be invaluable in case of an emergency while in transit.

American Red Cross

The American Red Cross is always available for emergency aid. Contact the nearest chapter listed in the local phone directory.

Army Emergency Relief(AER)- Financial Assistance

Army Emergency Relief (AER) can provide financial assistance to meet unforeseen required travel and related maintenance expenses such as transportation, lodging or food, when applicable due to extraordinary costs involved with permanent change of station (PCS). Army Emergency Relief (AER) provides financial assistance to eligible soldiers and their dependents. AER can help with emergency financial needs for food, rent, utilities, emergency transportation and vehicle repair, funeral expenses, medical/dental expenses, and personal needs when pay is delayed or stolen.

Assistance is given in the form of an interest free loan, grant, or part loan and part grant. To receive AER assistance, first see your unit commander then contact the AER office for an appointment. AER also provides undergraduate level educational scholarships (based primarily on financial need) to dependent children of active duty, retired, or deceased soldiers.

Motor Vehicles

Registration & Licensing Requirements

Arizona State law requires you to have sufficient liability insurance and a valid driver's license in order to operate a vehicle. The term "vehicle" generally includes automobiles, motorcycles, vans, trailers and boats regularly parked or garaged overnight. Further, your vehicle must be properly registered. Even though you are in the Military, you may be required to register your vehicle in-state and obtain an in-state license within a few months of moving. Access complete information on insurance, driver's licensing, and where and how to register your vehicle by visiting the [State Department of Motor Vehicles](#) website.

State Laws

You and your passengers must always wear seatbelts while driving, you will be ticketed and issued heavy fines if seatbelts are not secured. State law requires that all children under 5 years of age and 40 pounds be properly restrained in child seats. Some states also require younger, smaller children to sit in the back seat.

Motorcycles and their operators are subject to special laws. If you own and operate a motorcycle, you must comply with those laws. Visit the State Department of Motor Vehicles website for more information.

Many States and local jurisdictions have strict laws about the use of cell phones and other digital devices while driving. Research these laws on the State Department of Motor Vehicles website. Tickets will be issued and fines assessed for violating these laws. Play it safe and always use a "hands free" device if you must use a cell phone or other PDA while driving. Hands-free devices must be used while operating a motor vehicle on ALL military installations worldwide.

Registering Vehicles on Base

A temporary visitor's pass may be obtained at the Welcome Center as you enter the Main Gate. You may park in the parking area to the right prior to entering through the gate security area. The following documents are required: picture ID (Driver's license), vehicle registration, proof of insurance, assignment or TDY orders (Military or Civilian workers only - not required for visitors).

Vehicle registration is required on Ft. Huachuca. Registration is conducted at Whitside Hall, Bldg 41330, Monday through Friday from 7:30 am until 12:20 pm and 1 -3:45 pm. Required documents are vehicle registration, proof of insurance, ID card and driver's license.

Base Regulations

Automobile Insurance -- Active duty and retired military, their family members, DOD civilian employees, contractor personnel, and other affiliated persons who operate a POV on Fort Huachuca are responsible for carrying and producing proof of current motor vehicle insurance for the entire period in which the vehicle is to be operated on Fort Huachuca. Motor vehicle liability insurance is required.

Child Restraints -- Child seats/restraints are mandatory for children four years old and younger or under 40 pounds both on and off the installation.

Seat Belts -- Seat belts are mandatory for all passengers in the vehicle both on Fort Huachuca and in the state of Arizona.

Motorcycles

Motorcyclists and moped operators are required to complete an Army-approved motorcycle safety course prior to riding on Army installations. Motorcyclists without a motorcycle Safety Course Car are subject to ticketing and/or being refused entry to post. Motorcyclists and moped operators are required to wear helmets, eye protections, gloves, long pants, long sleeves, over-the-ankle shoes and reflective vests or clothing.

Registering Vehicles in Arizona

The Sierra Vista Regional Service Center for the Motor Vehicle Division of Arizona Department of Transportation is located at 5224 E. Charleston Road in Sierra Vista. The center is open from 8 a.m. to 5 p.m., Monday through Friday,

and closed on weekends and all legal holiday.

Arizona Driver's License

Drivers who establish residency in the state are required to hold an Arizona driver's license. Military family members who accept employment in the state, register their children in state school, etc. must also obtain an Arizona driver's license.

Costs -- The cost for a driver's license for automobiles is based on age and is as follows:

- 16-39 --\$25
- 40-44 --\$20
- 45-49 --\$15
- 50 and over --\$10

Those who surrender a valid out-of-state license need only take an eye examination. Those with an expired license of more than 12 months must take a Class B Driver's Test and a Written Examination.

The minimum age to apply for a learner's permit is 15 years and seven months. Those applying for a driver's license must be at least 16 years old. Minors must have proof of birth and parental signatures.

Nonresident Exemptions

Active duty military personnel stationed in Arizona who are not Arizona residents are not required to pay the Vehicle License Tax (VLT) portion of the annual vehicle registration.

Loan Closet

Housing - Overview

Government Housing

Availability--Fort Huachuca is one of the largest family housing establishments in the Department of the Army. It has 1,954 units. Of that total, 218 units are designated as officers' quarters, and 1,736 units are listed as adequate enlisted quarters. All family quarters on post are equipped with refrigerators and ranges. Cable television can be connected for a nominal monthly rate. Telephone service for quarters is available through US West Communications. Senior officers reside in a row of large adobe quarters along Grierson Avenue. These two-story homes date from 1884 and are part of the old cavalry fort now listed as a National Historical Landmark.

On the installation you will find an RV resort, Apache Flats, that is open to Active duty, military dependants, retirees and DoD civilians. Reservations may be made 60 days out for Active duty personnel. For your convenience, 50 pull-through slots are available and the price includes full hook and cable. Please contact Apache Flats RV Resort, Monday through Friday, 9:00 am - 5:00 p.m. for further questions.

Non-Government Housing

Housing Referral Office-(HRO) --The HRO is your contact for any problems you may encounter such as discrimination complaints, tenant/landlord disputes, or any questions or problems about off-post housing is the HRO. The HRO will provide you a list of rentals with corresponding locator maps and give you information regarding the communities in which the rentals are located. If you will be living off-post in a rental property, you should purchase a renter's or tenant's insurance policy. Your landlord's insurance does not protect your belongings, only his building.

DoD Automated Housing Referral Network (AHRN)--Visit AHRN.com or ask at your local housing office to learn about this DoD program that is currently available for most installations. The program allows military members and families to:

- Search listings and pictures of available rentals near military installations
- Find out about shared rentals
- List their own properties for rent to other military families
- List their homes for sale by owner (FSBO) to other military members
- Contact installation housing offices

AHRN is not currently available at all installations but the phased program is adding new installations every month. Check the AHRN [website](#) to see if your next assignment is an AHRN base and check out other features to assist you in your home search.

Availability--The communities of Sierra Vista, Huachuca City, Tomstone, Bisbee, and Benson provide a selection of housing for military and civilian personnel. Available facilities include apartments, duplexes, mobile homes, and single-dwelling houses.

Temporary Lodging

Visitor housing facilities include 284 units for PCS and TDY personnel. Facilities include a modern 162-unit visiting officers quarters and 122 transient units that feature private or shared kitchen and bath facilities and individually controlled air conditioning. Maid service is provided to TDY transient units.

The post operates one of the first guest houses constructed with non appropriated funds. This 21-unit complex, and 12 other units, offer temporary lodging at modest rates for all military on PCS status. Other TDY DOD personnel are authorized use of the guest house facilities on a space-available basis.

There are 2 guest houses located on the installation. Holman House offers 20 rooms and 1 handicapped accessible room. Up to 3 animals are authorized to stay in one of 6 rooms for a cost of \$10 per animal. The shoppette, PX, Main Post Chapel and other conveniences are within a short walking distance. Allen House has 12 rooms available; however, no pets are authorized in these rooms.

Application

To obtain on-post housing, the soldier needs copy of orders, copy of leave form and proof of family members (birth certificate, passport, LES) if not on orders. Soldiers may apply for family housing prior to arrival. The effective date for placement on the waiting list is the day you sign out from your present duty station. Spouses may apply for family housing. The following documents are required:

- sponsor's orders
- military I.D. card
- power of attorney
- proof of marriage
- sponsor's leave form (if applicable)

Household Goods - Overview

Arranging Household Goods Shipments

As soon as you are alerted to your upcoming PCS move, you can start getting your house and family ready. Clean up and get rid of junk. Hold a yard sale or take serviceable items you no longer need to a thrift shop or donate to charity. Get important family records together in one place. You can even estimate the weight of your household goods before you visit your transportation office to set up the move. If you are going overseas, you should begin to plan what items you will take in your hold baggage, in your household goods shipment and what might need to go into storage. Remember for overseas assignments electricity is different and houses are generally much smaller and cannot handle large furniture.

Set up an appointment with your transportation office as soon as you have a copy of your PCS orders. The earlier you call or visit your transportation office, the greater your chances of moving on the date you desire. The counselors will explain all your PCS move entitlements in detail. Your first decision is whether to have the government move you or whether to move yourself. There are pros and cons to each type of move. Your counselor will answer all of your questions. If you choose a government move, they will book your shipment and let you know the exact dates the movers will come. If you choose to move yourself, the counselor can assist with recommendations and tips on how to do a personal move.

Automobile

The government may ship one Privately Owned Vehicle (POV) at their expense to your new overseas location. This is handled through your transportation office. Remember to discuss your POV needs at your initial counseling session. The shipping contractor has established a [website](#) where you can track the location of your POV through the shipping process.

Shipping Pets

Planning for shipment of your pet includes researching airline requirements and quarantine and restriction laws in your new location. You will need to ask the airlines the requirements for size, weight, number of animals, kennel construction, documentation and season of the year limitations. Occasionally, small pets can be shipped on military flights but availability and regulations are always changing as well as fees. Checking the [SDDC website](#) will provide details on shipping pets.

Many international locations have strict importation laws including extended quarantines and restrictions on breeds or types of animals that can be brought into the country. Carefully research these rules as they could impact your moving schedule. Not only do overseas locations have strict rules but many locations have restrictions on dangerous dogs as well.

Delivery of Household Goods Shipments

It is your responsibility to contact the transportation office as soon as you arrive at your new duty station. Let them know how you can be contacted, phone, mobile phone and e-mail. If you already have new quarters, they will help arrange delivery of your personal property shipments. Otherwise they will arrange for temporary storage until you have permanent housing.

Customer Satisfaction Survey

Once your personal property is delivered, you'll be asked to [rate the customer service](#) you received from the movers. Make sure you take the time to do this. Your feedback will make the process better for everyone.

Claims

If you have any loss or damage to your personal property you may need to file a claim. Use the front of [DD Form 1840/1840R](#) to notify the mover of any loss or damage you find at the time of delivery. If further loss or damage is discovered after the transportation provider departs, use the reverse side of the form, DD Form 1840R. You must **file DD Form 1840/1840R within 70 days of delivery**. Completing and submitting the DD Form 1840/1840R does not constitute filing a claim. A claim is separate and distinct from these forms. Your local personal property office and claims office will give you complete instructions on where and how to file DD Form 1840/1840R and your claim.

Household Goods - Shipping Pets

Pet Travel

When preparing for your move, make sure your pet has no health problems. Your pet will be subjected to conditions guaranteed to cause stress. A clean bill of health is an important first step in assuring your pet's ability to adjust safely to unfamiliar surroundings. Also, make sure your pet has proper identification tags. The information should include your pet's name, your name, address and phone number. In addition, most states and countries require recent health certificates and disease inoculation documentation before you are allowed to cross borders, making a trip to the veterinarian is mandatory.

When traveling by air, it best to contact the airline that you will be flying on for the specifics of the pet kennel/carrier. Your pet must have room to turn freely while in a standing position and be able to use normal movements in order to stand erect or lie down in a natural position. A container of water should be secured to the inside of the carrier positioned so that it can be filled without opening the cage. A drip bottle is recommended.

Registration and Vaccinations

If living on the installation, dogs and cats are required to have up-to-date rabies vaccinations (\$7) and a micro-chip (\$15). All uncaged pets over 12 weeks of age must be registered within 5-7 days upon arrival on post. To register your pet, contact the vet clinic on post at 520-533-2767. Registration may be done Monday-Friday from 8:00 - 11:00 am and 1:00 - 4:00 pm. The vet clinic provides rabies vaccinations, deworming, micro-chipping and sick call is conducted by appointment only.

Ownership or maintenance of more than three uncaged pets in family housing is prohibited. Animals must be maintained in a fenced yard or on a leash.

If living in the Sierra Vista community, all pets must have a valid license and an up-to-date rabies vaccination. Pets are not allowed to run loose in the community. To purchase a license contact the City of Sierra Vista.

Boarding

Prior to your arrival to Ft. Huachuca, it is best to contact the lodging facility to insure you a room where pets may be kept as there is no boarding facility on post.

Education - General Overview

Public School

Fort Huachuca Accommodation Schools

The Fort Huachuca Accommodation Schools are Arizona public schools located on the installation and operated by Sierra Vista Public Schools in accordance with Arizona state laws. The system is comprised of two elementary schools and one middle school. Lunch is available for purchase as is milk for those students who bring their lunch. Bus transportation is provided for children who reside within a prescribed radius from their respective schools. An extensive exceptional children program is available. All Ft. Huachuca Accommodation schools have early release every Thursday between 1:15 and 1:45 pm.

There are approximately 1500 students enrolled in the Fort Huachuca Accommodation Schools, with a staff of 91 teachers. Each school is administered by a certified principal. Each of the on post schools are provided with its own nurse. A Director of Special and Instructional Services, School Psychologist, ESL Coordinator, Speech Therapists, and Counselors are also available at each site.

A preschool for special needs students is available on post. Handicapped three and four year olds, and kindergarten non-eligible five-year-olds are given special instructions by a district teacher. Referral by parents, other agencies, and screening for further evaluation is ongoing throughout the school year. Several additional preschools are located throughout the Sierra Vista community.

Children of military service members living in the Sierra Vista community have the option to attend the elementary and middle schools on-post on a space available basis. Those who are interested in this option will need to contact the school in which their children may be attending.

High school students are transported off-post to Buena High School in Sierra Vista.

Should you have questions regarding schools on-post and in the surrounding area, please contact the School Liaison Officer (SLO) at 520-533-1133.

Sierra Vista Public Schools

There are seven elementary schools in the city of Sierra Vista. Children attend the school closest to their home. Bus service is provided for those needing this assistance. Grades kindergarten through fifth attend elementary sessions. There are two middle schools. Children in grades sixth through eighth are eligible to attend. Bus service is provided for those students in outlying areas.

All high school students living on Fort Huachuca and in Sierra Vista attend Buena High School.

Current state adopted texts plus supplemental materials are used throughout the school system. All materials used routinely as a part of the educational process are provided for the pupils at no cost to the parent. The District provides school bus service for children who reside over the prescribed distance from their respective schools.

Parent Teacher Organization activities are designed to foster a close relationship between the parent and the classroom teachers. Some activities are carried out through open-house programs, classroom visitation by parents, parent-teacher conferences and parent participation in room activities.

Registration is required with each school. Current shot records and birth certificate are required.

Students enrolling at Buena High School are required by law to have a current shot record in hand before they can be registered for classes. Students must also have a copy of their birth certificate filed with the school. Transfer grades are essential for proper placement and a copy of the transcript is helpful before official records arrive.

Graduation Requirements

The high school transcript begins with the freshman year and 22 credits are needed to graduate. The following 14.5 credits are required:

English: 4
Math: 4
Science: 2
Physical Ed: 1
Health: .5
World His/Geography: 1
U.S. & AZ Constitution: 1
Free Enterprise: .5
Keyboarding: .5
Vocation or Fine Arts: 1
Electives: 8

Private School

There are several private schools available in the local community. Most of the private schools have a religious affiliation or relationship. Should you require more information, please contact the SLO, 520-533-1133 or Army Community Service, 520-533-2330.

Adult Education

Many educational opportunities are available for adults, ranging from GED preparation to post-graduate study. On-post, the Buffalo Soldier Education Center offers a variety of programs and services. Cochise College and University of Arizona -Sierra Vista campus are both located in the Sierra Vista community.

Education - Training (College/Technical)

Installation Education Center

The Fort Huachuca Education Center, 520-533-3010/2255, is committed to providing lifelong learning opportunities in support of the Army's recruitment, training, and retention of a skilled workforce.

The Education Center strives to promote transition, education, training programs and services in support of the mission; provide a diverse, trained workforce; ensure programs through effective partnerships; provide a comprehensive library in support of the Intelligence training mission; provide transition services to Fort Huachuca personnel in a caring, organized, and diciplined manner; and ensure availability of necessary resources

College Classes

Several colleges and univerisities offer an array of degrees including Associates, Bachelor of Science, Bachelor of Arts, Master of Business Adminstration, Master of Science and Master of Arts.

The following colleges and universities have representatives available at the Education Center:

- Cochise College 520-533-2391
- University Of Phoenix 520-459-1093/1094
- Western International University 520-459-5040
- Wayland Baptist University 520-533-1047

Education - Local Schools

Choosing the right school for their children is a priority for military families. This article describes excellent resources for your use in planning for your child's educational needs. Parents can find current information about public, charter and private schools by using the tools below:

1. How do I choose a good school?

[Choosing a School for Your Child](#) is a U.S. Department of Education publication that will help families identify what is important in selecting a school.

[The School Visit: What to Look For, What to Ask](#) Whether you are choosing a school for the first time, or because you are in transition, this site will provide you with information about what to do and what to ask.

2. What schools are in my area (or in the area where I may move), and how good are they?

Several high quality commercial tools are available to assist in making decisions about which school to choose for your child. Listed below are these website tools along with information on how you access the information and what type of information each site provides.

Both [Great Schools](#) and [School Matters](#) provide a wealth of information for parents:

- School contact information
- Distance from zip code (provide the installation zip code, or the zip code of the area where you will be living)
- Public, private or charter school designation
- Student/teacher ratios
- Free and reduced school lunch program (an estimate of economic disadvantage)
- Great Schools provides a rating of schools and a parent comment section
- Percentage of students meeting or exceeding the state standards in math, reading and language arts
- Teachers - average number of years teaching experience, % of first year teachers on the staff
- Students: Average percentage of students absent from school for more than 15 days
- Ethnic breakdown and percent of students with English as a second language
- School Matters provides college prep scores (PSAT, SAT, ACT test scores)-for high schools only
- Great Schools also provides parents the ability to rate the schools and make comments on the schools.

For both sites, the user must enter the State and zip code to find schools in the area.

[SchoolQuest](#) was developed by the [Military Child Education Coalition](#) to help military families select schools. SchoolQuest also offers an Online Library that provides resources for families in transition. At this time, the SchoolQuest data base covers 99 military installations. The Military Child Education Coalition also provides a [data base of information](#) on each State's educational system.

[The School Report Tool](#) is available from Military OneSource that list names and locations of public, public charter, private, virtual and home schooling choices around major installations. [Charter Schools](#) are nonsectarian public schools of choice that operate with freedom from many of the regulations that apply to traditional public schools. Use this site to find one in your area.

3. How can I help plan for a successful transition in this new school and for my child's school career?

Parents often want to know about the availability of extra curricular activities and sports, or the availability of advanced classes. For these questions, it is best to contact the schools directly. It is important to ask the right questions. The following resources can help with these questions and others.

The [Toolkit for Parents](#) was developed by the Department of Defense, especially for Military Families. This 85 page booklet walks parents through preparing for the move and the first two weeks of school....what to ask, what to take, etc..

The [Military Impacted Association](#) has [checklists](#) available for military kids who are leaving or entering a new school.

The Military Child Education Coalition has a [checklist for transferring students](#) that will be helpful. Additionally, through [SchoolQuest](#), MCEC provides parents with the ability to develop a profile for each of their children, which then will provide them with a report on issues related to transferring to a new school district.

4. Question? What happens if I need help during the school year?

During the school year, there are always questions that parents have, such as "What is the best way to help with homework?" or "What if my child needs to see a counselor because my spouse is deployed?" Military OneSource helps with these questions and has 24/7 access. You can call them at 1-800-342-9647, connect to them at the website [Military OneSource](#), or [e-mail a consultant](#).

Education - Local Schools/Overseas

Overseas Schools -- What You Should Know

Moving your family from one installation to another in the U.S. can be challenging enough; but moving your family overseas presents an even more complex situation. One of the most important challenges can be summed up by this question, "Where are my children going to go to school?"

This article will provide resources to help guide military families through the many questions and decisions regarding local schools abroad.

Where do I start?

Start with the information on your new installation. Visit [Plan My Move](#) and review the installation's Education - Overview article. All of the overseas installations have dedicated a portion of the Education Overview to discussing the education options available in the local community as well as the DoD schools located on the installation, if available. Most installations overseas that allow accompanied family travel have one or more DoD schools.

What is the difference between a DoD school and an international or national school?

[DoDEA](#) is the Department of Defense Education Activity. DoDEA operates DoD schools in 12 foreign countries, Guam and Puerto Rico. All DoDEA schools are fully accredited by U.S. accreditation agencies and maintain high academic standards with well rounded educational programs.

In addition to DoDEA, the [U.S. Department of State's Office of Overseas Schools](#) mission is to promote quality educational opportunities for dependents of American citizens overseas at the elementary and secondary level. If a DoD school is not available on your installation there may be a school in the local community that is an American-Sponsored Elementary and Secondary School.

International schools are English-language schools whereas National schools are schools where courses are taught in the native language. The curriculum and grading system of an International school tends to be similar to the traditional American education system. This is a consideration if your family will be returning to the U.S. prior to your child or children graduating high school. Remember, when choosing a school it is best to try to match the school with your child's needs and expectations.

Where can I find a list of International schools in the country where my family is moving?

The Internet can be an excellent resource for finding International Schools overseas. You can find a complete directory of overseas schools on the [International Schools Services' website](#).

In addition, the [World Wide Schools](#) website is an excellent resource. From the homepage you can select the country. Once you have done this, a list of schools will appear and you can then choose which one you are interested in researching. All of the information appearing on this website is provided by the schools directly. Some of the information you may find on a school includes: a background summary about the school, the school's address, phone number, website, and even the email address of the director of the school. This information should be explored so that you can make comparisons with other International schools in the area to determine the best place for your child/children.

How do I decide what school is best for my child?

This process is much the same as it would be in the U.S. You may not have as many choices but it is important to make a list of possible schools and then begin to ask around. This is a daunting task since it is likely that there will be a language barrier. However, talk to the Relocation Personnel in the Family Center and your sponsor at your new installation who may be able to put you in touch other families with children around the same age as your child/children. Always contact the school directly and ask for references.

Once you have narrowed down your options, interview the school or schools directly. This is best done in person, if possible. Ask about: attendance, atmosphere, curriculum; grading system, tuition, accreditations, the staff and administration; as well as other practical details such as, does the school provide meals, what types of extra curricular programs are available, is there transportation, holidays and schedule, sports programs, before and after school care programs, and how is the facility maintained.

Now that I have chosen a school, how do I successfully facilitate the transition for my child?

A successful transition should be a priority during planning the move and once the move has been completed. The more knowledge you provide your child with, the more confident he/she will feel once he/she arrives at the new school. Allow your child to be a part of the decision making process, if he/she is old enough, and take his/her opinions into account.

MilitaryStudent.org provides several valuable tools to facilitate the transition process. Although many of these tools are not geared specifically to an international move the resources provided do apply to any military student transitioning to a new school in the U.S. or overseas.

Employment - Overview

Employment Opportunities

The job market is fairly competitive. The majority of jobs in the civilian sector are commission sales and entry-level service industry. Health care professionals and para-professionals are high demand as well as electronics engineers, computer engineers, and communication specialists. People with strong office skills and experience are also in demand. Positions on post are highly sought after as the pay scale is higher than comparable jobs off post. Prospects for employment on the installation are slim at the present time. However, contract positions on post are more attainable.

Child Care

Child Development Services (CDS)

Child Development Services (CDS) at Fort Huachuca is comprised of four delivery systems - The New beginnings Child Development Center, Family Child Care (FCC), Supplemental Programs and Services (SPS) and School-Age Services. Fees for all CDS programs, except hourly care and unsubsidized Family Child Care homes, are determined by the family's total income (both the soldier's and spouse's pay). Family Child Care provides care for children ages 4 weeks through 12 years. Special needs programs are available within the CDS. All special needs children must go through a screening process conducted by the Special Needs Resource Team (SNRT) prior to placement. To arrange a SNRT appointment, please contact Army Community Service.

Registration

Parents must register their child for all CDS programs through the Central Registry Office. Registrations are valid for 1 year and are transferable to other Fort Huachuca CDS programs. Parents must attend a mandatory orientation prior to their child attending a CDS program. Parents must provide up-to-date shot records and a current TB Tine test (within 2 yrs) for each child registering for CDS services and pay a registration fee (\$18 per child per year, \$40 for families enrolling 3 or more children). Physicals must be completed within 30 days of registration. Waiting list information and data are also processed through the Central Registry Office.

Availability/Waiting List

Spaces for both full-day and part-day care are limited. A waiting list is maintained and parents are notified, as appropriate, when space(s) becomes available for their child to receive care at the center. Families transferring to Fort Huachuca may contact the center to have their name placed on the waiting list prior to their arrival. This option may cut the waiting time considerably.

Child Development Center (CDC)

The New Beginnings Child Development Center provides care for children ages 6 weeks to kindergarten. New Beginnings is a 23,000 square-foot facility serving 232 children at any one time. The center is built around a central courtyard and has four playgrounds designed for various age groups. The National Academy of Early Childhood Programs granted the center accreditation in May 1991, making it one of the first in the Army to receive this honor. The center was re-accredited in 1994 and 1998.

Programs Offered -- The New Beginnings Child Development Center offers the following programs:

- Full Day Care -- Hours are compatible with normal duty hours on Fort Huachuca, 5:30 am until 5:30 pm.
- Part-Day Preschool - This program has 2, 3 and 5 day options for those children, age 3-5 years of age, who may not need full-day care or who are ready for their first group situation with other young children. Part-day care is offered for kindergarten-age children with full-day care provided during summers and school holidays. Class time options are 7:30 am-10:30 am or 11:00 am-2:00 pm.
- Before and After Kindergarten Care - Before and after kindergarten care is provided with bus transportation to and from school. Full day summer and holiday care is available.
- Hourly Care - This program provides services for families needing irregular care on a limited basis. Parents should make reservations as far in advance as possible. Soldiers who are in-processing may use the hourly program on short notice, but must complete registration procedures first. Rate is \$3.50 per hour and hours available are 5:30 am until 4:30 pm.
- Rent-A-Space - Available for parents with children in a full or part day program whose slot will be vacant for a week or more. Parents may rent their space and may advertise at the center. All negotiations are made parent-to-parent.

Please contact the New Beginnings Child Development Center should you have questions.

Family Child Care (FCC) Program

The Family Child Care (FCC) Program is a quarters-based child care system. The CDS management staff and installation

fire, health and safety proponents closely monitor and regulate the program.

Family Child Care homes are available to serve the unique needs of the military families. Many homes offer care 24 hours a day, 7 days a week, during deployment and TDY, for shift workers, for students with odd hour classes, and for special needs children. All special needs children will need to go through a screening process conducted by the Special Needs Resource Team (SNRT).

Child care in government quarters is not authorized unless the child care provider is certified by the FCC branch of Child Development Services and children for which the care is provided are registered with CDS. Family Child Care providers receive extensive training in early childhood practices, CPR, and first aid. If you are interested in registering a child in the FCC program or becoming an FCC provider, please contact the FCC office.

School-Age Services (SAS) Program

SAS is a supervised before and after school program that provides developmental and recreational opportunities to children in 1st through 5th grades. Program services include sports and fitness, life skills and citizenship, mentoring and support services and leisure and recreation. Hours are 5:30 am until 6:00 pm. Bus transportation is available for on-post schools.

This program provides before and after school care on school days. Rates for this program are based on total family income. Full-day care is provided on all non-school days to include summer vacation, Christmas, spring break and teacher in-service days.

Supplemental Program and Services

Supplemental Program and Services has management oversight of several supplemental child care options at Fort Huachuca.

- On-site Child Care - This option provides child care during unit functions or meetings when parents remain on the premises during the function. Contact the Child and Youth Services Outreach Director for further information at 520-533-8437.
- Resource and Referral Service - This service provides information on family child care provider, off-post child care and teenage babysitters. Training for teen sitters is provided by the SPS staff using the American Red Cross Super Sitter materials.

Youth Services

Youth Services

Youth Center

The Fort Huachuca Youth Center contains a multi-purpose gymnasium, snack bar, TV room, classrooms, and a game room. Activity calendars are prepared for teens and preteens. The Teen Council is responsible for planning teen activities including; dances, parties, tournaments, pot-lucks, open houses and cook-outs. Field trips are planned to correspond with local events held at the Sierra Vista Youth Center.

Teen Center

The Sierra Vista Teen Center is located in Veterans' Memorial park. The center offers a variety of free games including pool, ping pong, foosball, board games and coin-operated video games. Call the 24-hour teen information hotline at 520-459-4377 for more information about upcoming events and activities.

Youth Employment

There is limited employment for youth with non-appropriated and appropriated fund activities on Fort Huachuca.

Teens interested in summer employment may qualify for the summer program which falls under Sierra Vista's Job Training Partnership Act (JTPA). One purpose of JTPA is to establish programs to prepare youth and unskilled adults for entry into the labor force. The Summer Youth Employment and Training Program (SYETP) is offered under JTPA. The summer program is designed to:

- enhance the basic educational skills of disadvantaged youth
- encourage school completion or enrollment in supplemental or alternative school programs
- Provide eligible youth with exposure to the world of work

The summer program serves economically disadvantaged youth between the ages of 16 to 21 and consists of work experience, life skills and basic educational training. The work experience assignments are usually funded for approximately eight weeks from June 10th to August 2nd. Participants are paid minimum wage. Funding for JTPA is provided by the Department of Labor.

The Sierra Vista Youth Services Program manages the Rent-A-Kid Teen Job Referral Program. This program maintains a list of teens who are willing to do odd jobs to earn extra income. Contact the Oscar Yrun Center for more information.

Financial Assistance

Cost of Living

Although Fort Huachuca and the surrounding communities may not be considered high cost of living areas, soldiers and their families are often surprised by the initial outlay of dollars required to get established in the community. Soldiers stationed at Fort Huachuca do not receive COLA. Waiting time for government quarters will usually average from three to six months, depending on family size and needs, therefore families may need to rent a "temporary" house or apartment until they can obtain quarters. All newly assigned military personnel must report to the Housing Office prior to making any housing selection in the off-post community and prior to entering into any lease.

ACS Financial Readiness Program

Financial guidance is offered to those experiencing money management difficulties or for those who wish to be in control of their finances. Consumer Affairs and Financial Counseling service personnel can work with you to prepare a personalized budget and spending plan designed to make life easier. Army Emergency Relief, as always, is there when needed in a crisis making loans and grants.

Health Care - Overview

Moving With TRICARE

Your [TRICARE](#) coverage is completely portable—meaning it moves with you. You're covered worldwide—both in transit to your new duty location and once you arrive—but depending on where you go you may use a different TRICARE health plan option. Additionally, you may have different steps depending on which health plan option you are using now.

When Enrolled in a TRICARE Prime Option

The TRICARE Prime options include TRICARE Prime and TRICARE Prime Remote in the United States, and TRICARE Prime Overseas and TRICARE Global Remote Overseas in regions outside of the United States. Follow these simple steps to ensure you have no break in coverage when you move.

1. Do not disenroll from your TRICARE Prime option before you move.
2. Once you arrive at your new location, update your personal information in the [Defense Enrollment Eligibility Reporting System \(DEERS\)](#) immediately.
3. Select a new primary care manager (PCM), when moving within the same region or submit a new Prime enrollment form within 30 days if you're moving to a new region.

Where you are moving will determine which Prime option you will enroll in.

Prime Options in the United States

TRICARE Prime

TRICARE Prime is offered in Prime service areas—geographic areas typically located around a military treatment facility—throughout the country.

- North Region [Health Net Federal Services, Inc.](#), 1-877-TRICARE (1-877-874 2273)
- South Region [Humana Military Healthcare Services, Inc.](#) 1-800444-5445
- West Region [TriWest Healthcare Alliance](#) 1-888-TRIWEST (1-888-874-9378)

If you move to a new Prime service area, transfer your enrollment by submitting a TRICARE Prime Enrollment and PCM Change Form to your regional contractor. Be sure to include all family members who wish to use Prime on the form.

TRICARE Prime Remote

In non-Prime service areas, TRICARE offers TRICARE Prime Remote. To enroll, submit a TRICARE Prime Enrollment and PCM Change Form to your regional contractor. Any TRICARE-eligible family members living with you in a TRICARE Prime Remote area can enroll in TRICARE Prime Remote for Active Duty Family Members. Be sure to include them on the enrollment form.

Prime Options Outside of the United States

TRICARE Prime Overseas

TRICARE Prime Overseas is offered in overseas areas where there are military treatment facilities or areas in which TRICARE has established a network of qualified host nation providers.

- TRICARE Europe Toll free: 1-888-777-8343; Commercial 011-49-6302-67-7432; DSN 314-496-7432 Fax Numbers: Commercial 011-49-6302-67-6374; DSN 314-496-6374 or [e-mail](#)
- TRICARE Pacific Toll free: 1-888-777-8343; Commercial 011-81-6117-43-2036; DSN: 643-2036; Remote Sites: 011-65-6-338-9277 Fax Numbers: Commercial 011-81-611-743-2037; DSN: 643-2037 or [e-mail](#)
- TRICARE Latin America & Canada (TLAC) Address: TAO-LAC, Bldg 38802, Ft Gordon GA 30905-5650; Toll free 1-888-777-8343; 1-706-787-2424; DSN: 773-2424 Fax Number 1-706-787-3024 or [e-mail](#)

If you move to an area in which TRICARE Prime Overseas is offered, transfer your enrollment by submitting a TRICARE Prime Enrollment Form to the nearest TRICARE Service Center. Command-sponsored family members who reside with you are eligible for TRICARE Prime Overseas. Be sure to include all family members who wish to use TRICARE Prime Overseas on the form.

TRICARE Global Remote Overseas

TRICARE Global Remote Overseas is a Prime option offered in designated remote overseas locations. If you move to an area in which TRICARE Global Remote Overseas is offered, you and any authorized family members living with you may enroll by submitting a TRICARE Prime Enrollment Form to the nearest TRICARE Service Center.

Before you move to another overseas area or to an area within the United States, contact the nearest TRICARE Service Center. Then, when you arrive in your new area, transfer your enrollment.

When Using TRICARE Standard and Extra

TRICARE Standard and Extra are available to family members only. Active duty service members are required to enroll in one of the Prime options described above.

TRICARE Standard and Extra are available throughout the United States and enrollment is not required. Any active duty family member who is registered in DEERS may use these programs by seeing any network or non-network providers that are authorized by TRICARE. In areas outside of the United States, active duty family members who don't want to use a Prime option may use TRICARE Standard Overseas by seeing qualified host nation provider.

If you're already using TRICARE Standard and Extra, moving is easy.

1. Once you arrive at your new location, update your personal information in the Defense Enrollment Eligibility Reporting System (DEERS) immediately.
2. Then, find TRICARE-authorized providers in your new area.

Here are a few things to remember about using TRICARE Standard and Extra in a new region

- In the U.S.: Visit your new regional contractor's Web site for a list of providers. Remember, if you see network providers, you'll be using the Extra option and pay lower copayments.
- Outside of the U.S.: Contact your TRICARE Service Center for help locating a qualified host nation provider. The TRICARE Extra option is not available in overseas areas.
- If you move to a new region, you'll have a new claims address for submitting your TRICARE claims.
- Learn your new region's prior authorization requirements because these requirements can differ by region.

When Using TRICARE For Life

TRICARE For Life—TRICARE's coverage for those who are eligible for Medicare—requires no enrollment and you'll have a smooth transition when you move. [TRICARE for Life](#) contact information: WPS TRICARE For Life, P.O. Box 7889, Madison, WI 53707-7889; 1-866-773-0404; TDD 1-866-773-0405

- Once you arrive at your new location, update your personal information in the Defense Enrollment Eligibility Reporting System (DEERS) immediately.
- Find Medicare providers in your new area.

If you move overseas, your TRICARE For Life coverage may change depending on where you move. In U.S. Territories such as Guam, Puerto Rico and the U.S. Virgin Islands, TRICARE For Life coverage works the same as the stateside program. But, in all other overseas locations, TRICARE For Life Overseas works differently because Medicare does not provide coverage in most overseas locations. Therefore, TRICARE is the primary payer. You can get care from any host nation provider and you will be responsible for TRICARE deductibles and cost shares.

Contact the TRICARE Area Office for the overseas area where you are moving or the nearest American Embassy Health Unit for assistance finding a host nation provider.

Getting Care Along the Way

- Routine Medical and Dental Care—Get it before you go.

Before you move, make sure you've received any routine medical or dental care you think you might need during the time you'll be traveling. Or, delay the care until you get to your new duty location.

- Emergency Care in the United States—Call 911 or go to the nearest emergency room.

TRICARE defines emergency care as medical services provided for a sudden or unexpected medical or psychiatric condition, or the sudden worsening of a chronic (ongoing) condition that is threatening to life, limb, or sight and needs immediate medical treatment, or which has painful symptoms that need immediate relief to stop suffering. If you're traveling near a military treatment facility (MTF), you should go to the MTF or military dental treatment facility for emergency services. If you are hospitalized in a civilian facility for more than 24 hours, contact your regional contractor

- Urgent care in the United States—Coordinate with your PCM and/or regional contractor

TRICARE defines urgent care as medical care for a condition that will not result in disability or death if not treated immediately but should be treated within 24 hours to avoid further complications. If you are in a Prime program, you must coordinate urgent care with your primary care manager and/or regional contractor before receiving care. If you are in TRICARE Standard and Extra or TRICARE For Life, you can receive care as you normally would. You should, however, contact your contractor as soon as possible to coordinate any prior authorizations that are needed.

- Emergency or Urgent care Overseas—Contact closest TRICARE Area Office or TRICARE Global Remote Call Center.

You don't need prior authorization for emergency or urgent care but the TRICARE Area Office or TRICARE Global Remote Call Center will help you find the best care available in the overseas area in which you are traveling.

Filling Prescriptions on the Road

You should have all your prescriptions filled before you leave, but if you need a prescription filled while you're traveling in the United States, you have several options:

- If near an MTF, fill the prescription at the MTF pharmacy.
- Find the closest TRICARE network pharmacy.
- If a network pharmacy is not available, you can visit a non-network pharmacy. In this case, you may have to pay up front for your medications and file a claim with Express Scripts, Inc., for reimbursement. For more details, visit the [TRICARE web site](#)
- The mail-order option is not recommended for a prescription you need right away, but if you'll be traveling for a long time, you can arrange for any regular prescriptions to be filled via the mail-order pharmacy.

Your pharmacy coverage is limited overseas:

- TRICARE network pharmacies are only located in the United States, Puerto Rico, Guam and the U.S. Virgin Islands. You can have prescriptions filled at host-nation pharmacies, if necessary. Host-nation pharmacies are treated the same as non-network pharmacies. If you have prescriptions filled at a host-nation pharmacy, you should expect to pay for the total amount up front and file a claim with Wisconsin Physicians Service for partial reimbursement. To learn more about pharmacy claims, visit the [TRICARE web site](#).
- To use the mail-order pharmacy overseas, the prescription must be from a U.S. licensed provider and you must have an APO or FPO address.

If You Have Questions

Your regional contractors and TRICARE Area Offices are available to answer your questions. These offices are listed above. Find even more information about moving, updating DEERS, the TRICARE regions and much more at the [TRICARE web site](#).

Installation Specific Information*Medical Care*

The US Army Medical Department Activity provides health care services to eligible individuals in the Fort Huachuca community and operates an Army Health Clinic at Yuma Proving Ground.

The MEDDAC, a command element of the US Army Medical Command, Fort Sam Houston, Texas, is composed of the Raymond W. Bliss Army Health Center, the Preventive Medicine Activity and the Community Mental Health Activity.

A wide variety of limited health care services are provided to authorized personnel. Routine medical services are available at Raymond W. Bliss Army Health Center Monday through Friday, 7:30 am until 4:15 pm. Clinic visits are by appointment, unless otherwise stated. Specialty clinics require a referral before an appointment can be scheduled.

Cancellations need to be made 24 hours prior to your scheduled appointment.

Health Care - Special Needs

Exceptional Family Member Program

The [Exceptional Family Member Program](#) (EFMP) is mandatory for all family members who have been identified with a special medical or educational need. Enrolling in the EFMP ensures that the family member's medical needs will be considered during the assignment coordination process.

Military Treatment Facility

The clinics and services available at [Military Treatment Facilities](#) vary by location. Before you move, identify the MTF that will serve you, visit the MTF's website to learn about the clinics and services available and to get relevant contact information.

Moving to a New TRICARE Region

If you anticipate a move to another [TRICARE region](#), work with your local TRICARE Service Center (TSC) or case manager before your move to ensure the transition is as smooth as possible. On arrival at the new duty location, your sponsor should contact the Beneficiary Counseling and Assistance Coordinator (BCAC) or TSC to ensure the transition plans are in place and to obtain authorizations for TRICARE [Extended Care Health Option](#) (ECHO) services, if applicable.

Beneficiary Counseling and Assistance Coordinator (BCAC)

All TRICARE Regional Offices and most MTFs are staffed with [BCACs](#) (formerly known as Health Benefits Advisors.) [BCACs](#) provide information, guidance and assistance on benefit options, TRICARE Prime enrollment, special authorizations, status of claims and eligibility, plus assistance with referrals and appointments. If you or your family member has a more severe medical need, contact your assigned [case manager](#).

Case Management

Case management involves a team of health care professionals who help you and your family to find solutions to complex health problems. It is important to inform your case manager if you are moving as he/she will connect you with the case manager at your new location.

Extended Care Health Option (ECHO)

TRICARE [ECHO](#) provides financial assistance to beneficiaries of active duty service members who qualify based on specific mental or physical disabilities. ECHO offers an integrated set of services and supplies beyond the basic TRICARE program. ECHO is administered by regional contractors in the TRICARE North, South, and West Regions and by TRICARE Regional Offices in overseas locations.

Transporting Medical Equipment

Your [Installation Transportation Office](#) has special procedures to follow for the transportation of medical equipment that is necessary for medical treatment required by the sponsor or family member. Some types of medical equipment may be shipped in the same manner as Professional Books, Papers, and Equipment (PBP&E).

Federal and State Health Care Programs

Medicaid - [Medicaid](#) pays for medical assistance for certain individuals and families with low incomes and resources. State Medicaid programs are usually administered by departments of social service or departments of medical assistance.

Supplemental Security Income (SSI) - [SSI](#) is a cash assistance program intended to meet basic needs for food, clothing and shelter for those who are aged, blind or disabled. It provides cash to meet basic needs for food, clothing, and shelter. Families must reapply upon each move to another state.

Title V of the Social Security Act - Many states have services for children with special health care needs that are funded by the Maternal and Child Health Services Block Grant, or [Title V](#). State departments of health web sites and local health departments will provide information on state health benefits for children with special health care needs. The Maternal and Child Health Bureaus' web site has Title V information organized by State that provide you with [Title V points of](#)

[contact](#) and other pertinent information.

Other Important Resources

Debt Collection Assistance Officer (DCAO) - TRICARE has a [DCAO](#) assigned to TRICARE Regional Offices and MTFs worldwide to help beneficiaries understand and get assistance with debt collection problems related to TRICARE. Individuals who have received a notice from a collection agency or a negative credit report because of a medical or dental bill should be referred to the nearest [DCAO](#).

Family Voices - [Family Voices](#) is a national, grassroots clearinghouse for information and education concerning the health care of children with special health needs. Family Voices also has [State points of contacts](#) with useful links to State programs and organizations.

Installation Specific Information

Exceptional Family Member Program (EFMP)

The Exceptional Family Member Program (EFMP) is a mandatory enrollment program that works with other military and civilian agencies to provide comprehensive and coordinated medical, educational, housing, community support, and personnel services to families with special needs.

An exceptional family member is a family member (child or adult) with any physical, emotional, developmental, or intellectual disability that requires special treatment, therapy, education, training, or counseling.

Education - Special Education/EIS

Exceptional Family Member Program

The [Exceptional Family Member Program](#) (EFMP) is mandatory for all family members who have been identified with a special medical or educational need. Enrolling in the EFMP ensures that the family member's medical needs will be considered during the assignment coordination process.

Children from Birth to Three Years of Age

The Individuals with Disabilities Education Act (IDEA) requires all States and territories to provide [early intervention services](#) to children from birth to age three who are developmentally delayed, or who are at high risk of being developmentally delayed. Early intervention services may be provided by local school districts or health departments. There is no common name across States for the programs, but you may hear them referred to as Part C programs (because Part C is the section of the IDEA that pertains to early intervention).

The [National Early Childhood Technical Assistance Center](#) provides a list of State Part C directors and funded programs at their web site. [Military OneSource](#) can identify local early intervention programs for you.

- Parents of children who receive early intervention services should hand-carry a copy of the Individual Family Service Plan (IFSP) and most current evaluation reports to the new location.

Children from 3 through 21 Years of Age

The Individuals with Disabilities Education Act (IDEA) requires all States and Territories to provide [special education services](#) to children who are from 3 through 21 year of age. Each local school district has a special education director, and each school should have a case study committee or school based committee (terms differ) that attends to special education students' needs.

Parents of children receiving special education and related services should hand-carry all pertinent school and medical documents to include their children's Individualized Education Program (IEP) and current testing and evaluation reports to the new school.

The IDEA requires that if a child transfers to a district in the same state, the receiving school must provide comparable services to those in the child's IEP from the sending district's until the new school develops and implements a new IEP. If a child transfers to another State, the receiving district must provide comparable services to those in the child's IEP from the sending district until the receiving district completes an evaluation and creates a new IEP.

Others who can help you:

- **Parent Training and Information Centers** Each state is home to at least one Parent Training and Information Center (PTI). PTIs serve families of children and young adults from birth to age 22 with all disabilities: physical, cognitive, emotional, and learning. They help families obtain appropriate education and services for their children with disabilities; work to improve education results for all children; train and inform parents and professionals on a variety of topics; resolve problems between families and schools or other agencies; and connect children with disabilities to community resources that address their needs. [The Technical Assistance Alliance for Parent Centers](#) provides addresses and phone number of the centers in your state.
- **STOMP (Specialized Training of Military Parents)** is a federally funded Parent Training and Information (PTI) Center established to assist military families who have children with special education or health needs. The staff of the [STOMP Project](#) are parents of children who have disabilities and have experience in raising their children in military communities and traveling with their spouses to different locations.
